

Friday Events

Cal Poly will grant from 1 to 4 Continuing Education Units (CEUs) for approved events marked with an asterisk (*).

For further information and separate CEU registration, contact www.continuing-ed.calpoly.edu or 1-805-756-2053 M-F 8:00 am to 5:00 pm or toll free 1-866-CAL-POLY.

ALL DAY

*1 IMPORTANT BIRD AREA – CARRIZO PLAIN

6:30am-4:30pm Community Center\$45

Discover why the Carrizo Plain National Monument is listed as a California Important Bird Area with leader Dan Cooper, who wrote the book! Dan is the Director of Bird Conservation for Audubon California. With three globally important species: Mountain Plover, Long-billed Curlew, San Joaquin Le Conte's Thrasher, and a significant population of Sandhill Cranes, Carrizo Plain is one of the most carefully managed areas of California. Assisted by George Butterworth. Bring lunch. Travel with leaders in one van. Time includes 4 hours roundtrip travel.

■ Limited

*2 BIG DAY

7:00am-4:00pm Community Center \$45

From loons to sparrows, join Mike Stiles and Alan Schmierer on this fast-paced day to record as many species as possible. Expect over 100 species, including specialties and rarities. Bring lunch. Travel with leaders in vans.

■ Limited

*3 OSO FLACO LAKE - OCEANO AREA

7:30am-3:00pm Community Center\$35

Bird with Dave Lawrence, Maggie Smith, and Jamie Chavez at Oso Flaco Lake - Oceano area. Enjoy close views of waterfowl, often including bitterns and rails, from the boardwalk over the lake and marsh. Bird two prime willow habitats for wintering warblers. Look for wintering gulls. Includes 2-3 miles of slow walking. Visit the Pismo River mouth as time permits. Bring lunch. Travel with leaders in vans.

■ Limited

MORNING

*4 BIRD BANDING IN MORRO BAY

7:00am-11:00am Community Center

Capture passerines with mist nets in Morro Bay State Park with researcher Regena Orr. Discuss the physical characteristics for identification and analysis and bird banding data collection techniques. Probable birds captured include species of sparrows (maybe a Nelson's Sharp-tailed or a "large-billed" Savannah Sparrow), and Yellow-rumped Warblers. Rain cancels. Caravan.

■ Limited

*5 NORTH COAST – SAN SIMEON

7:30am-12:00noon Community Center

Visit spots along the rugged North Coast with Karen Clarke and Gale Kordowski to look for Surfbirds, Turnstones, Wandering Tattlers, Mew Gulls, Pacific Loons, scoters, and more. Also expect a variety of raptors, including Golden Eagles and Ferruginous Hawks. Caravan.

■ Limited

*6 BAY BIRDING CRUISE

7:45am-9:30am Community Center\$30

Enjoy a leisurely boating tour of the Back Bay in a comfortable, canopied 20' pontoon boat. One of the area's knowledgeable birders will be on board to help you spot the varied birdlife in the estuary. Caravan.

■ Limited

7 BIRDING ISLAY CREEK

8:00am-11:30am Montaña de Oro State Park

Walk with State Park Docents Freeman and Worth Hall from the bluffs overlooking Spooner's Cove through four habitat zones along Islay Creek. Expect seabirds, shorebirds, passerines, and raptors. Meet at the Ranch House in Montaña de Oro State Park.

*8 DUNE ECOLOGY AND SNOWY PLOVERS

8:00am-12:00noon Community Center

Journey with California State Parks Resource Ecologist Vince Cicero and Rosemary Flamion through Morro Dunes Natural Preserve from the sand spit parking lot in Montaña de Oro State Park to the dune crest, beach, and return. Explore coastal dune scrub, fore-dune and beach communities and associated birds, including the endangered Western Snowy Plover. Some strenuous walking through deep sand. Caravan.

■ Limited

*9 MONTAÑA DE ORO BLUFFS, ROCKY SHORES AND WOODS

8:00am-12:00noon Community Center

Bird with Bert Townsend in a spectacular 8600-acre state park with untamed coastline and coastal uplands. Expect rocky and sandy beach shorebirds, water birds, raptors, and passerines in various habitats. Caravan.

■ Limited

*10 BASICS OF BIRD ID

8:30am-11:30am & 1:00pm-3:00pm.....Library

Join experts Bill Bouton and Linda Tanner for a workshop primarily for novice birders. Hear tips on choosing binoculars, field

Visit our web site: www.morro-bay.net/birds

Friday Events

Cal Poly will grant from 1 to 4 Continuing Education Units (CEUs) for approved events marked with an asterisk (*).

For further information and separate CEU registration, contact www.continuing-ed.calpoly.edu or 1-805-756-2053 M-F 8:00 am to 5:00 pm or toll free 1-866-CAL-POLY.

guides and other equipment. Learn bird identification techniques followed by identification in the field. Bring binoculars and field guides. Continue with the field trip in the afternoon to apply your birding skills. Caravan in the field. ■ **Limited**

*11 BIRD MULTIPLE HABITATS – SAN SIMEON

8:30am-12:00noonCommunity Center
Observe the different birds found near San Simeon State Park by the seashore, lagoon, creek, wetlands, chaparral, and pine forest habitats with State Park Docents Phil and Carole Adams. Caravan. ■ **Limited**

*12 BIRDING AROUND THE BAY

9:00am-12:00noonCommunity Center
Bird with Dennis Sheridan and Gloria Rasmussen visiting the best birding spots around the estuary, including Morro Rock, the bay, the marina, and more. Look for shorebirds, water birds, and land birds. Caravan. ■ **Limited**

*13 BAY BIRDING CRUISE

9:45am-11:30amCommunity Center\$30
See #6. ■ **Limited**

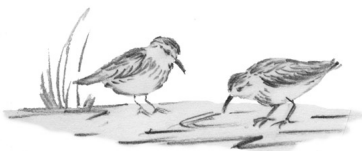

14 MEET THE SEA OTTER

10:15am-12:00noonNatural History Museum
Join State Park Docents Ray Easton and Dick Evans for an “edutaining” program focusing on sea otters and elephant seals, two of the marine mammals that inhabit the Central Coast.

AFTERNOON

*15 BOTANICAL GARDEN TOUR

12:45pm -2:15pmCommunity Center
Join docent Ken Levine for a tour of the garden created by the Friends of San Luis Obispo Botanical Gardens at El Chorro Regional Park. The garden, which will eventually cover 150 acres, includes plants from the five Mediterranean climate zones of the world. See hummingbirds in the South African aloe garden. Caravan. ■ **Limited**

*16 SHOREBIRD BASICS

1:00pm -2:15pmLibrary
Morro Bay is an outstanding venue for observing shorebirds. Learn to identify shorebirds with Monterey expert Don Roberson. Covering a wide variety of plumages and species, including difficult identifications such as dowitchers and ending with some of California’s rarest waders.

*17 MORRO BAY NATIONAL ESTUARY PROGRAM

1:00pm -2:30pmCommunity Center
Travel in time with MBNEP staff from the geologic past, through recent human history, to the current conditions of the Morro Bay Estuary. Explore alternative futures for the bay and their implications for birds and people. Learn how the MBNEP is working to protect and enhance this remarkable resource, including involving volunteers to monitor the estuarine environment.

18 DISCOVER MAGNIFICENT MORRO ROCK

1:00pm-2:30pmMorro Rock
Join State Park Docent Rosemary Olszewski to explore the “Gibraltar of the Pacific” and hear about its history and geology. Meet the many species living in its shadow and learn what we can do to help them survive. Meet near the rest rooms at the Rock parking lot.

19 BIRD ADAPTATIONS 101

2:30pm-4:00pmMuseum Learning Center
Explore some distinctive physical adaptations, such as feathers, beaks, and feet, that enable birds to survive, in this beginning birder workshop with State Park Docent Robin Knapp. ■ **Limited**

*20 PEREGRINE FALCON COMEBACK

2:30pm-5:00pmLibrary
Join Peregrine Falcon researcher and author Steve Schubert for a slide presentation. Then travel along the edge of Morro Bay and walk to Morro Rock looking for the Peregrines and their recent nesting sites. Caravan. ■ **Limited**

*21 VIEW THE MORRO BAY ESTUARY

2:45pm-4:15pmCommunity Center
Hike to the top of Black Hill with the Morro Bay National Estuary Program staff for a remarkable view of the bay and watershed. Learn about the history and ecology of the Morro Bay estuary, one of only 28 national estuaries. The trail is steep in places but less than ½ mile in length. Caravan. ■ **Limited**

Friday Events

*22 BAY BIRDING CRUISE

2:45pm-4:30pm Community Center\$30
See #6. ■ Limited

*23 GULL ID

3:00pm -5:00pm Community Center
Join Los Angeles birding expert Larry Allen in a slide talk on gull identification showing plumages from immature to mature. Jump-start your recognition of this notoriously hard-to-identify group.

SPECIAL EVENTS

*24 BATS IN THE BELFRY

4:00pm-9:00pm Community Center\$90
Take a custom, behind-the-scenes tour of Hearst Castle (parts of all four public castle tours) with Greg Smith and Regena Orr while learning how bats use the castle as a roosting and foraging site. See how acoustic monitoring is done on the nine species of bats that call Hearst Castle home. Watch the sun set as the van climbs the 1,800' elevation gain to the mountain top. (Fee includes \$50 donation to Friends of Hearst Castle.) Transportation and box dinner provided. ■ Limited

25 FESTIVAL OPENING RECEPTION

5:00pm-6:30pm Community Center
Join fellow birders for a wine and cheese party at the vendor fair in the Community Center. Socialize, network, view educational displays, and survey the vendor booths offering optical equipment, artwork, books, clothing, jewelry, and more.

Saturday Events

ALL DAY

*26 CARRIZO PLAIN NATIONAL MONUMENT

6:30am-4:30pm Community Center\$45
Join Roger Zachary, Jim Havlena, and Kara Hagedorn for a fast-paced trip to look for Sandhill Cranes, Golden Eagles, Merlins, Prairie Falcons, owls, Mountain Plovers, and wintering sparrows in a natural area of semi-desert scrub, open grassland, and foothills of juniper. Bring lunch. Ride with leaders in vans. Time includes 4 hours roundtrip travel. ■ Limited

*27 BIG DAY

7:00am-4:00pm Community Center\$45
See #2. With Rich Hansen and Jim Royer. ■ Limited

*28 PELAGIC BIRDS AND WHALES

7:00am-4:00pm Community Center\$55
Spend a day at sea with Brad Schram, Tom Edell, and Don Roberson searching for albatross, shearwaters, kittiwakes, alcids, jaegers, Gray Whales, and much more. Bring lunch, liquids, sunscreen, and motion sickness medication. Sea conditions may cancel. Caravan. ■ Limited

MORNING

*29 GULL ID IN THE FIELD

8:00am -11:00am Community Center
Join expert Larry Allen in identifying our local gulls, including the many stages of immature plumages, at a variety of locations. Friday Gull ID workshop recommended. Caravan. ■ Limited

*30 MONTAÑA DE ORO BLUFFS, ROCKY SHORES AND WOODS

8:00am -11:30am Community Center
See #9. With Marlin Harms and Jesse Grantham. ■ Limited

*31 BAY BIRDING CRUISE

8:15am -10:00am Community Center\$30
See #6. ■ Limited

Saturday Events

Cal Poly will grant from 1 to 4 Continuing Education Units (CEUs) for approved events marked with an asterisk (*).

For further information and separate CEU registration, contact www.continuing-ed.calpoly.edu or 1-805-756-2053 M-F 8:00 am to 5:00 pm or toll free 1-866-CAL-POLY.

*32 BIRDING CAL POLY CANYON

8:30am-12:00 noonCommunity Center

Take a creekside walk with Jennifer Moonjian up Poly Canyon through riparian, coastal scrub, and rock outcrop communities. Expect to see Oak Titmouse, Cedar Waxwings, Chestnut-backed Chickadees, Nuttall's Woodpeckers, Rufous-crowned Sparrows, Band-tailed Pigeons and many more species. The walk will be about 1½ miles round trip. Visit other birding hot spots on campus as time permits. Caravan. ■ **Limited**

*33 BIRDING FROM KAYAK

8:30am-12:00noonCommunity Center.....\$25

Learn beginning kayaking with expert Jack Beigle, who will give you general instruction on shore. Paddle to see the Great Blue Heron nesting area, salt marsh delta, Grassy Island, and other bird habitats. ■ **Limit 6 doubles**

34 BIRDING THE BLUFF

9:00am -10:30amMontaña de Oro

Discover the many species of birds that inhabit the bluffs and rocky shore of Montaña de Oro, with State Park Docents Phil and Carol Adams. Meet at the bluff trailhead 200 yards south of the visitor center at Montaña de Oro State Park. ■ **Limited**

35 ESTUARY WALK TO HERON ROOKERY

9:00am-10:30amMorro Bay State Park Marina

Join State Park Docent Liz Caldwell for an active walk along the salt marsh and shoreline to the Heron Rookery. Learn about the natural and man-made forces influencing the estuary and about life in the rookery shared by Great Blue Herons, Great Egrets, Snowy Egrets, cormorants, hummingbirds, and hawks during nesting season. Meet at the east end of the Marina parking lot. ■ **Limited**

*36 IMPORTANT BIRD AREA – MORRO BAY

9:00am-12:00noonCommunity Center

Explore Sweet Springs, the Audubon overlook, and other bay-shore accesses with IBA specialist Dan Cooper, and Nick Todd. See the Pacific Black Brant and Long-billed Curlew (1% of Global populations). Observe up to 20,000 shorebirds and 8,000 waterfowl, with Eurasian Wigeon likely. IBA Morro Bay is one of the most important waterbird stopover and wintering locations in California. Caravan. ■ **Limited**

*37 BAY BIRDING CRUISE

10:15am-12:00noonCommunity Center.....\$30

See #6. ■ **Limited**

38 GREAT BIRD ILLUSTRATORS OF THE 19TH CENTURY

10:15am-12:00noonNatural History Museum

The works of John James Audubon, John Gould, and Louis Agassiz Fuertes – all 19th century artists and ornithologists – continue to inspire both the active and armchair birder of the 21st century. Using colorful reproductions of their work, State Park Docent Marion Enfield will discuss their works as visual reflections of 19th century culture.

AFTERNOON

*39 BOTANICAL GARDEN TOUR

12:45pm-2:15pmCommunity Center

See #15. ■ **Limited**

40 DISCOVER MAGNIFICENT MORRO ROCK

1:00pm-2:30pmMorro Rock

See #18.

*41 CALIFORNIA CONDOR RECOVERY

1:00pm-2:30pmLibrary

Join a trio of condor researchers in their pursuits to save the California Condor. Listen to condor biologist Jan Hamber give the historical background and history of efforts to save the species, condor keeper Marti Jenkins talk about captive breeding and rearing at the Los Angeles Zoo, and local biologist Steve Schubert add information about the Hi Mountain Condor Look-out program to monitor Condor activity.

*42 SEA OTTERS AND THE KELP FOREST

1:00pm-3:00pmCommunity Center

Learn about the kelp forest ecosystem and its importance while walking along the Estero Bluffs north of Cayucos with State Park Docents Phil and Carole Adams. Watch for sea otters foraging or resting and learn about these fascinating mammals and the role they play in maintaining a healthy kelp forest. Caravan. ■ **Limited**

Saturday Events

*43 BIRD SKETCHING WORKSHOP

1:00pm-4:00pm Community Center\$25
Join artist John Schmitt for this two-part workshop: two hours in the classroom with lecture and class participation in drawing techniques, and two hours out of doors to sketch from life with one-on-one instruction and demonstration. Bring #2 pencils, sharpener, erasers, sketchbook (min. 8.5 x 11), paper towels, plastic bag to sit on, binoculars or spotting scope. ■ *Limited*

*44 GULL ID IN THE FIELD

1:00pm-4:00pm Community Center
See #29. ■ *Limited*

*45 LEARN BIRDING BY EAR

1:00pm -4:30pm Vet's Hall
Get started with Sylvia Gallagher, a well-known birding expert from the Sea and Sage Audubon Society in Southern California, in identifying birds by song and calls. Pre-requisite to the Birding by Ear Sunday field trips.

*46 BAY BIRDING CRUISE

2:45pm-4:30pm Community Center\$30
See #6. ■ *Limited*

*47 MEET THE OWLS

3:00pm-4:15pm Library
Join Pacific Wildlife Care specialist Jeri Roberts for a presentation on owls. Meet Hootie the Great Horned Owl, and Tyto the Barn Owl. Take advantage of this unique opportunity to view these nocturnal animals up close. Learn about attributes that make them so special and their challenges coexisting with humans and within human-modified landscapes. Learn why they are gaining popularity with vineyard owners and farmers who understand their value as natural pest-control agents.

SPECIAL EVENTS

*48 BIRD TALES

7:00pm-9:00pm Vet's Hall
Sit back and enjoy the ride as B. Moose Peterson, nationally acclaimed wildlife photographer, shares a multimedia presentation that provides intriguing stories behind his incredible bird photos. (See page 2 for more information on B. Moose Peterson.) ■ *Limit 300*

Sunday Events

ALL DAY

*49 CARRIZO PLAIN NATIONAL MONUMENT

6:30am-4:30pm Community Center\$45
See #26. With Mike Stiles, Mary Adams, and John Schmitt. ■ *Limited*

*50 BIG DAY

7:00am-4:00pm Community Center\$45
See #2. With Tom Edell and Bill Bouton. ■ *Limited*

MORNING

*51 BIRDING BY EAR IN THE FIELD

7:30am-9:30am Community Center
Practice techniques learned during Saturday's workshop with Sylvia Gallagher, assisted by Karen Havlena. Identify 10-12 common woodland birds by their songs. Pre-requisite: Saturday workshop. ■ *Limited*

*52 OBSERVING MARINE & BIRD LIFE AT PT. PIEDRAS BLANCAS

7:30am-12:00noon Community Center
Naturalist Michelle Roest joins you for coastal birding, marine mammal viewing, and visiting an historic lighthouse. First stop offers a close-up view of Northern Elephant Seals in the peak of pupping season, then tour the grounds of the Piedras Blancas Lighthouse and bird the point. Expect to see Harbor Seals, Sea Otters, and possibly Gray Whales, as well as a variety of raptors, shorebirds, gulls, and cormorants. Caravan. ■ *Limited*

*53 OAK AND WOODLAND BIRDS

7:30am-12:00noon Community Center
Bird beautiful wooded areas in the Atascadero area east of Morro Bay with Roger Zachary. Stops include Cerro Alto Campground, Atascadero Lake and Creek, Salinas River, and nearby oak habitats. Find Acorn Woodpeckers, Yellow-billed Magpies, and others. Caravan. ■ *Limited*

*54 MONTAÑA DE ORO BLUFFS, ROCKY SHORES AND WOODS

8:00am-12:00noon Community Center
See #9. With Dave Lawrence and Linda Tanner. ■ *Limited*

Visit our web site: www.morro-bay.net/birds

Sunday Events

Cal Poly will grant from 1 to 4 Continuing Education Units (CEUs) for approved events marked with an asterisk (*).

For further information and separate CEU registration, contact www.continuing-ed.calpoly.edu or 1-805-756-2053 M-F 8:00 am to 5:00 pm or toll free 1-866-CAL-POLY.

*55 HALF-DAY OCEAN TRIP

8:00am-12:00 noonCommunity Center.....\$35
Join Rich Hansen and Marlin Harms on this short cruise out of Port San Luis. It offers likely views of whales, sea lions, sea otters, and near shore Pacific seabirds including several species of shearwaters and auklets. Bring liquids, lunch, sunscreen, and motion sickness medication. Sea conditions may cancel. Caravan. **■ Limited**

*56 HI MOUNTAIN CONDOR LOOKOUT

8:00am-2:30pmCommunity Center
Join naturalist Steve Schubert, US Fish & Wildlife Service Jesse Grantham, and Nick Todd for a slide presentation followed by a trip up Hi Mountain in eastern San Luis Obispo County. Cross the headwaters of the Salinas River and bird along the way. Expect to see raptors, woodpeckers, Yellow-billed Magpies, and more. Tour the Hi Mountain Condor Lookout and Museum. The view is spectacular. Condor tracking methods will be demonstrated. (www.condorlookout.org) Bring lunch. Caravan in 4x4s. Impassable road conditions cancel. **■ Limited**

*57 BIRDING CAL POLY CANYON

8:30am-12:00 noonCommunity Center
See #32. **■ Limited**

*58 BIRDING FROM KAYAK

8:30am-12:00 noonCommunity Center.....\$25
See #33. **■ Limit 6 doubles**

59 BIRDING THE BLUFF

9:00am-10:30amMontaña de Oro
See #34. **■ Limited**

60 ESTUARY WALK TO THE ROOKERY

9:00am-10:30 noonMorro Bay State Park Marina
See #35. **■ Limited**

*61 BIRDING AROUND MORRO BAY

9:00am-12:00amCommunity Center
See #12. With Jim Havlena and Bert Townsend. **■ Limited**

*62 BIRDING FOR BEGINNERS

9:00am-12:00noonCommunity Center
During a slow-paced walk at one or more local birding spots, join leader Alan Schmierer, who will help you learn the process of identifying birds, observing field marks, and finding that bird in your field guide. Caravan. **■ Limited**

*63 BIRDING BY EAR IN THE FIELD

10:00am-12:00noonCommunity Center
See #51. **■ Limited**

*64 BAY BIRDING CRUISE

10:15am-12:00 noonCommunity Center.....\$30
See #6. **■ Limited**

65 A BIRD'S EYE VIEW

10:30am-12:00 noonNatural History Museum
The lives of birds depend on what they see and how they are seen. Listen while State Park Docent Bob Field explains how the behaviors of predators and prey are affected by characteristics of their vision and visibility. Learn how vision evolved and how it influenced the evolution of colors and patterns of plants and animals.

AFTERNOON

*66 BOTANICAL GARDEN TOUR

12:45pm-2:15pmCommunity Center
See #15. **■ Limited**

*67 RAPTOR REPRODUCTION

1:00pm-2:30pmCommunity Center
Learn how raptors define their territory, woo a mate, and copulate. How do they choose a nest tree and carry sticks? Anatomically, how do birds lay eggs? What's involved with incubation and raising young? Join zoologist Kara Hagedorn and Sunshine, a Red-tailed Hawk, for an up close workshop on raptor reproduction. Sunshine was shot and unable to survive in the wild, but every year she exhibits breeding behavior and lays eggs. Hear the comical story of how Sunshine's April Fool's Eggs became chicks that celebrate Earth Day as their birthday.

Sunday Events

68 ANCIENT BIRDERS OF THE CENTRAL COAST

1:00pm-2:30pm *Natural History Museum*
 Birds were an important part of the native Chumash and Salinan cultures. Hear State Park Docent Tyra Solomon tell about Native American relationships with the eagle, Turkey Vulture, the owl, and more.

*69 DIGITAL BIRD PHOTOGRAPHY WORKSHOP

1:00pm-4:00pm *Library*
 Join avian photographer Garry Johnson in this digital photography workshop, designed to be non-technical for beginning digital through the more advanced photographer. He will give a description of the different types of digital cameras, their advantages for bird photography, and techniques for use. Photos and equipment will be on display. Includes a short field trip with opportunities to practice techniques for photographing birds. Participants are encouraged to bring their own cameras for practice. ■ *Limited*

70 ESTUARY NATURE WALK

2:30pm-4:00pm *Natural History Museum*
 Explore Morro Bay ecosystems with State Park Docent Evelyn Dabritz, starting with a presentation at the Museum. Then stroll to the "Heron High-Rise," the "Mudflat Café" at Windy Cove and the panorama at White Point.

*71 BAY BIRDING CRUISE

2:45pm-4:30pm *Community Center* \$30
 See #6. ■ *Limited*

*72 INSECT WORLD OF THE CENTRAL COAST

3:00pm-4:30pm *Library*
 Meet the bugs up close and personal. Listen as entomologist and wildlife photographer Dennis Sheridan presents a slide show and hands-on demonstration of common living insects from the Central Coast as well as the world, such as Madagascar Hissing Cockroaches and walking sticks.

*73 GARDENING FOR BIRDS

3:00pm-4:30pm *Community Center*
 Learn how garden and landscape strategies attract birds, including the use of native plant materials, with Audubon California Board Member Garry George in his presentation entitled "Kill Your Lawn." Listen as Ted Pope, owner of the local Wild Birds Unlimited, explains the use of water features, feeders, and other landscape items.

SPECIAL EVENTS

*74 BATS IN THE BELFRY

4:00pm-9:00pm *Community Center* \$90
 See #24. ■ *Limited*

75 FESTIVAL WRAP-UP – ICE CREAM SOCIAL – BIRD BOARD REVIEW

7:00pm-7:30pm *Vet's Hall*
 Relax, create your own ice cream sundae, and share your experiences as we review the weekend's sightings on the Bird Board.

*THE ALASKA-MORRO BAY CONNECTION

7:30pm-8:30pm *Vet's Hall*
 The Morro Bay Estuary supports the last remaining large population of Brant in southern California. Listen as Mark Herzog, currently at the Point Reyes Bird Observatory, shares his fascinating experiences banding Brant goslings on their breeding grounds in Alaska. Mark will offer a rare glimpse into one of the wildest and richest wildlife habitats in the world through a slide lecture, and connect that world to our estuary through notes about the Arctic to Morro Bay migration. (See page 2 for more on Mark Herzog.) ■ *Limit 300*

All brochure bird illustrations
 by Jackie Petrasich and Susan Grimaud.

Visit our web site: www.morro-bay.net/birds

Monday Events

Cal Poly will grant from 1 to 4 Continuing Education Units (CEUs) for approved events marked with an asterisk (*).
For further information and separate CEU registration, contact www.continuing-ed.calpoly.edu or 1-805-756-2053 M-F 8:00 am to 5:00 pm or toll free 1-866-CAL-POLY.

MORNING

*76 SANTA MARIA VALLEY

7:00am-1:30pm Community Center
Travel with Jamie Chavez, Phil Persons and Maggie Smith to South County for stops at Oso Flaco Lake, the Santa Maria River mouth at Guadalupe Dunes, and the Santa Maria Waste Treatment Plant. Expect a variety of gulls, waterfowl, shorebirds, loons, scoters, and raptors. Time includes 1 ½ hr round trip to Santa Maria. Bring lunch. Caravan. ■ **Limited**

*77 NORTH COAST - SAN SIMEON

7:30am-12:00noon Community Center
See #5. With Tom Edell and Michele Roest. ■ **Limited**

*78 OAK AND WOODLAND BIRDS

7:30am-12:00noon Community Center
See #53. ■ **Limited**

*79 BIRDING THE LOS OSOS OAKS AND ELFIN FOREST

8:00am-12:00noon Community Center
Enjoy an early morning walk with Bert Townsend and Mike Stiles through the ancient trees of Los Osos Oaks Preserve to look for winter passerines, followed by a stop at the Elfin Forest to observe many wintering waterfowl from the observation decks. Caravan. ■ **Limited**

*80 WHAT DID YOU MISS?

8:00am-12:00noon Community Center
Check the Festival Bird Board. Then join a team of birders to help you find that missing Life Bird! As time permits, leaders such as Bill Bouton, Rosemary Flamion, Dave Lawrence, Al Schmierer and others will lead smaller groups of birders to search for birds that you have missed during your stay with us. Caravan. ■ **Limited**

*81 BIRDING FROM KAYAK

8:30-12:00noon Community Center\$25
See #33. ■ **Limit 6 doubles**

*82 BIRD MULTIPLE HABITATS – SAN SIMEON

8:30am-12:00noon Community Center
See #11. ■ **Limited**

Visit our web site: www.morro-bay.net/birds

*83 GULL ID IN THE FIELD

9:00am-12:00noon Community Center
See #29. ■ **Limited**

84 ESTUARY WALK TO THE HERON ROOKERY

10:00am-11:30am Morro Bay State Park Marina
See #35. ■ **Limited**

85 AN EQUATOR RUNS THROUGH IT

10:15am-12:00noon Natural History Museum
Dick Boyd presents a photographic reminiscence of the birds, mammals, and people of Kenya. With Kenya located astride the equator, its varying altitudes and geographical extent spawn many different climates and habitats, including the snowy rim of Mt. Kenya, the soda lakes of the Great Rift Valley, the animal-rich plains of the Masai Mara in the south, and rain forest in the extreme west. Join Dick as he revisits these riches of Kenya via photographs. Open to the general public.

AFTERNOON

86 SHOREBIRD SEASONAL ASSEMBLAGE

1:00pm-3:00pm Morro Bay State Park Marina
Fall and winter bring thousands of shorebirds and waterfowl to Morro Bay and a great opportunity to observe feeding and flocking behavior. Take a short walk with State Park Docents Freeman and Worth Hall to the end of the Marina Point, scope out what's going on, and search for the rare migrant. Meet at the east end of State Park Marina parking lot.

*87 HABITAT SKETCHING – CABRILLO AREA TRAILS

1:30pm-4:00pm Community Center
Join State Park Docent Barb Renshaw and Rosemary Flamion for a "sketch walk" of about two miles with 2 or 3 stops to sketch. Draw the Morro Bay Estuary, get a closer view of Hollister Peak, or find the stand of old coast live oaks. If you stay long enough, look for Short-eared Owls just before sundown. Bring sketch book, sketching pencils, watercolors or other materials, and water to drink. No experience necessary. Caravan. ■ **Limited**

How to Register

REGISTRATION FORMS:

Registration is by U. S. mail only. Our registration form is a separate download. Use one form for each person, including children. You may make copies of the form, after downloading it from our website at www.morro-bay.net/birds. It is in Adobe Acrobat format and designed to print on 8½ x 11 paper. If you do not have the Adobe Reader program installed on your computer, you can download a free copy from our website.

REGISTRATION DATES:

MAIL IN:

Forms must be post-marked by JANUARY 4, 2005. Spaces are limited for many events and are allocated on a first-come, first-served basis. Events fill quickly; please mail your registration promptly. Indicate first and second choices for each am and pm to expedite scheduling. You will receive your first choice if space is available. Your confirmation and schedule will be mailed as soon as your registration is processed.

WALK IN:

At the Festival, you may register during the following hours:

Friday and Saturday, January 14 and 15, 6am-6pm

Sunday, January 16, 6am-2pm

Monday, January 17, 6am-8am

REGISTRATION AND EVENT FEES:

All Festival participants must register.

Adult, 13 or older, Full Festival: \$65

Adult, 13 or older, One Day, Friday, Saturday, or Sunday: \$35; Monday: \$25.

(The one-day registration includes events on that day's schedule only.)

Child, age 12 or younger, Full Festival or One Day: No registration fee, but a registration form must be completed. Children are charged the additional fees for van and boat trips.

Fees include: Registration for field trips, workshops, talk-walks; evening events; Festival T-shirt; bird checklist; admission to the Museum of Natural History. Additional fees for van and boat trips are listed on the registration form and with each event description.

PAYMENT:

We do not accept credit cards.

Make your check payable to Morro Bay Winter Bird Festival and send to:

Winter Bird Festival, c/o Morro Bay Chamber of Commerce,
845 Embarcadero, Suite D, Morro Bay, CA 93442.

CANCELLATION AND REFUND POLICY

Morro Bay Winter Bird Festival reserves the right to cancel any event for any reason, and you will receive a full refund for any paid event that we cancel.

If you cancel your paid event registration for any reason, the following refund policy will apply:

- Full refund minus a \$10 administrative fee will be made for cancellations by December 15, 2004.
- No refunds will be made for cancellations made after December 15, 2004, or for no-shows.

Refunds will be mailed to you approximately two weeks after the Festival closes.

Need Additional Brochures? Call the Chamber at 1-805-772-4467 or 1-800-231-0592.

Need information about registration and/or closed events?

Call the Bird Festival voicemail at 1-805-772-4677, or visit our website.

About the Field Trips

TRIP SIZE

Field trips designated as "Limited" have a maximum of 15 participants per leader.

TRIP CANCELLATIONS

Field trips go, rain or shine! Ocean trips may be cancelled at discretion of Coast Guard or ship's captain. Other trips may be cancelled at discretion of trip leader.

DEPARTURES & TRAVEL

Field trips depart from Morro Bay Community Center, or as designated in brochure, at times listed. Please be on time as activities start promptly. Trip lengths given are approximate and include travel time. Each van limited to 10 participants. No private vehicles allowed on van trips.

GEAR & FOOD

Be prepared for rain and chilly weather. Dress in layers. Bring binoculars, scopes, and other essentials. Poison oak is a possibility on walking field trips.

OCEAN TRIPS

Dress warmly and bring rain gear. No ice chests permitted. If prone to motion sickness, take appropriate measures beforehand.

BOX LUNCHES

If trip runs through mealtime, bring lunch or snacks. Box lunches must be ordered with advance registration and picked up at Community Center between 6 am and noon.

FIELD TRIP ETIQUETTE

To make your excursion pleasant for all, please observe the following:

- Speak quietly and avoid loud noises.
- Avoid wearing nylon and other "rustling" fabrics.
- Stay behind leader so leader can spot and identify birds.
- Once you have seen the bird, give those behind you a chance.
- Refrain from using scented lotions or perfumes.

THANK YOU FOR YOUR ATTENTION
TO THESE SUGGESTIONS.
